

## **PR GC - Ex Club Captains Report for the AGM - November 2024 - July 2025**

Once again I was incredibly honoured and humbled to be asked (and elected) to be captain of PRGC for a second year in a row, and having also been Senior's captain for two successive years too.

As with my first year in office, the following competitions and events were organised, as well as a full programme of the regular Club Events and Competitions.

A charity Texas Scramble for On Course Foundation members, ex service personnel etc and senior club members.

The St. Georges Day celebration, the Captain's 3 club challenge, involving all club members, both men and ladies.

The even more successful Men's Away trip to Draycotes Hotel and Whitefields GC where 28 players battled it out over three days.

There was also a Men's Presentation evening organised to coincide with the first WAGs evening.

I have supported all constituent parts of the Club, including the following, Seniors, WAGs, CBL, SCBL, Grumpys, Mixed Stablefords and Friday mixed on the odd free Friday! I also supported the four youngsters in their charity golf, and again Mark Collins and Dave Thomas in theirs. Plus social events.

The support of the committee during this period has been invaluable and all members have been exemplary in their duties and hard work. In particular Al Bowyer has been a tower of strength and knowledge.

Dave Orford for running CBL matches, Dave Mackenzie for WAGs, and John White for the Friday mixed Stableford. Also Liz France for a successful Ladies year. Melinda has been another tower of strength.

In my six or seven years at this club I have made some great friends and acquaintances and look forward to more golfing adventures with them all in due course.

Kind regards to all members.

Dick Pooley
