

PRGC: Handicap Secretary's Report – AGM 5th November 2025

The Handicap Committee for the year (which has consisted of myself, Al Bowyer, Jill Peppett, Christine Stevens and Phil Slone) have been monitoring our HI's throughout the year.

The annual review of all handicaps took place at the start of the year and a few changes were made and some handicaps which would be monitored were noted but there have been few changes since then and most of the work has been in setting up new handicaps.

Unlike the previous year England Golf have made no changes to the way handicaps are calculated or applied.

Steve Williams

(Handicap Secretary)
